

Job Posting – Part-Time Sales Representative

Expanding Liquid Nitrogen company is seeking an enthusiastic, self-motivated individual to manage its growing territories. Sales coverage is needed for the lower mainland and occasional coverage of the territory north of Kamloops. A company vehicle will be provided. This part-time position will entail between 2 and 4 days of continuous work and travel, with several weeks in between with no work. The job would be ideal for a retiree looking for a bit of extra work, or someone with flexible other employment. During the days of work, this position may require daily travel with overnights away.

Having been in the industry for over 20 years, our company is a leader in sales, service, and solutions. Our friendly staff and personalized service is what sets us apart, so the right personality is crucial for this job. The selected Sales Representative will be responsible for sales growth in their territory, and for delivering outstanding customer service to all clients, both existing and potential. We are looking for someone dependable with an outgoing attitude that can deal with farmers and medical clinic staff.

Skill and Experience Requirements:

- Previous sales experience would be an asset
- Understanding budgeting and territory management
- Must be a highly motivated individual with excellent interpersonal skills who works well with considerable independence.
- Ability to communicate both in writing and orally with individuals at all levels within the organization as well as with individuals outside of the organization
- Proactive, punctual and reliable
- Ability to provide great customer service experience to all clients of the organization.
- Must have valid clean driver's license and be able to obtain Dangerous Goods Certification

Compensation

- Compensation for the position is based on a competitive salary, plus commission.
